*We couldn't have done it without you!*

*From the director.*

“Little Orphan Annie”...the mere mention of her name conjures up thoughts that lead to the possibilities of “Tomorrow”. During this holiday season, the cast, crew, supporting parents, and the community in general have given new meaning to the possibilities of “Tomorrow”. Personally, I have gained a whole new perspective during this production. The people who have given unselfishly while wanting nothing in return have inspired me every night during rehearsals. Of course, it didn't hurt to have our newest Purchase Players family member (Molly Travis, aka Sandy) let me hug her every night. I hope as you watch this production, you too, will be inspired by all possibilities of “Tomorrow”.

All my wishes for a blessed Holiday Season,

Shannon Thomas
