Director: Pamela Wright Audition Dates: July 27 & 28, 2015 - Ages 14+

The Brothers Grimm hit the stage with an epic fairytale about wishes, family and the choices we make. The story follows a Baker and his wife who wish to have a child, Cinderella who wishes to attend the King's Festival, and Jack who wishes his cow would give milk. When the Baker and his wife learn that they cannot have a child because of a Witch's curse, the two set off on a journey to break the curse.

Everyone's wish is granted, but the consequences of their actions return to haunt them later with disastrous results. One of Sondheim's most popular musicals—some of our favorite storybook characters come to life in a darkly comical, enchanting and timeless classic. **PG-13**

Unfortunately for George and Charlotte, everything that could go wrong does— abetted by a visit from their daughter's clueless fiancé and hilarious uncertainty about which play they're actually performing, caused by Charlotte's deaf old stage manager mother who hates every
