**Written by Barbera Robinson**

The Herdmans are the worst kids in the history of the world. They lie, steal, smoke cigars, swear, and hit little kids. So no one is prepared when this outlaw family invades church one Sunday and decides to take over the annual Christmas pageant. None of the Herdmans have ever heard the Christmas story before. Their interpretation of the tale — the Wise Men are a bunch of dirty spies and Herod needs a good beating — has a lot of people up in arms. But it will make this year's pageant the most unusual anyone has seen and, just possibly, the best one ever.

*All proceeds from the December 12th matinee will go to benefit a Purchase Players veteran who is currently battling cancer. Tickets for this production will only be available at the box office, with cash or check.*
