## From the Director...

*Words cannot say what a complete pleasure it was to work with this group. I appreciate Roy Henley and Don Johnson reprising their roles from 10 years ago. I appreciate Joey Allen appearing back on stage after some time off. Thanks to the rest of the cast and crew for their time and effort dedicated to this production.*

*I must say a very HEART FELT thanks to my husband and son for allowing me extended time away from them to get this production off the ground. Also to my husband for coming and working with me so that we could have some time together.*

*To the audience members: Thank you for coming!*

*Enjoy your evening and good luck figuring out "who done it".*

*Cathy Richard :)*
