About "South Pacific"

Although this beloved Rogers and Hammerstein's musical is well known for its extraordinary score - including Some Enchanted Evening, Younger Than Springtime, Bali Ha'i, There Is Nothin' Like A Dame, and A Wonderful Guy - South Pacific is also a deeply felt drama. Its portrayal of Americans stationed in an alien culture in wartime is as relevant today as when it first thrilled audiences in 1949. The play tells the sweeping romantic story of two couples and how their happiness is threatened by the realities of war and their own prejudices.
