NOTES FROM THE DIRECTOR:

When first asked to direct Meet Me In St. Louis I was a little overwhelmed at the thought of directing a musical.. It has been several years since I had directed a musical and I knew the enormous task that awaited me. But then just as quick as that thought crossed my mind I was also elated at the thought of directing this particular musical. Meet Me In St. Louis has always been a favorite of mine and the thought of not directing it and seeing my vision come to the stage - well let's face it - I just couldn't turn it down!

This entire production from auditions to rehearsals to putting it all together has been such a blessing. I could not have asked for a harder working cast and crew from day one. We have faced a lot together. Loved ones were lost, sickness was rampant and yet everyone pulled together, for you, to put on the best show we can. I cannot begin to tell you the joy my cast and crew has given me. I'll let you in on a little secret, surrounding yourself with hard working, talented people is the key. And I have the best!

I want to thank everyone that put in time on this show both in front and behind the scenes.

Numerous donations were made in regards to our costumes and countless hours were volunteered in making them. The generosity has been outpouring!

I hope this production brings you a warmth and a longing for the "good ole days". Family bonds, great songs and a happy ending. That is what Meet Me In St. Louis has always given me.

Have Yourself A Merry Little Christmas,
Donna Gream
