## From the Director

**“Come with me and you’ll be in a world of pure imagination..”**

I am so excited to be able to fulfill a dream of mine and share with you my dream of directing this show. I was about 7 years old when I first saw Willy Wonka and was changed forever as I fell in love with Gene Wilder, toured the chocolate factory, craved Wonka bars and the Ever Lasting Gourmet Gobstopper, and was fascinated with those Oompa Loompas and squirrels and Roald Dahl's story of the good and bad in the kids and their journeys of winning the Golden Tickets!

I am so proud of each one of the kids cast in this show. I have worked them hard. Each one shines in their role and did I mention the average age of our teen youth productions is usually around 15? This cast is 12-13! Although they are young in years, they are not young on stage! I am especially thankful for the parents that got them to and from rehearsals 4-5 nights a week.

Of course behind every good Director there are many talented people whom without their support, experience, and ability to work with said director, there would be no show. I am very lucky to have found a great tech crew! Thank you, Kelli, Adam, Justus, Weston, Ronn, Barry, Ann, Lynn, Karen, Nancy, Samantha, Alyssa, John, Karlee, and Paula (Mom).

A special thank you to the family of Raymond L. Burnett. We wanted to have a little reminder of Raymond in this show and decided to name the radio station WRLB in his honor. We will forever cherish his dedication to us here at Purchase Players. Sit back, relax, and enjoy (if only for a couple of hours) and escape to the enchanted world of Willy Wonka.

**“If you want to view paradise, simply look around and view it.  
Anything you want to, do it. Want to change the world? There’s nothing to it!”**
